Licensing adult family homes.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that the state of Washington has a compelling interest in protecting and promoting the health, welfare, and safety of vulnerable adults residing in adult family homes.

Declares the health, safety, and well-being of vulnerable adults must be the paramount concern in determining whether to issue a license to an applicant, whether to suspend or revoke a license, or whether to take other licensing actions.

Provides that, in order to prevent disruption to current residents, at the request of the current licensed provider, the department shall give processing priority to the application of a person seeking to be licensed as the new provider for the adult family home. The department may issue a provisional license when a currently licensed adult family home provider has applied to be licensed as the new provider for a currently licensed adult family home, the application has been initially processed, and all that remains to complete the application process is an on-site inspection.

Requiring comparable mental health benefits.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that, without adequate mental health insurance coverage for children, families are often unable to pay for needed treatment. As a result, many children do not receive the services they need. The costs of this are enormous, often including increased disability costs, deteriorating school performance, increased use of other health care services, treatment delays leading to more costly treatments, suicide, family breakdown and impoverishment, violence, and institutionalization, whether in hospitals, juvenile detention, jails, or prisons.

Finds that the current disparity between insurance coverage for mental health services and coverage for medical and surgical services threatens the financial

stability of many families and places Washington state children at risk.
